

Portfolio Administrator - Investment Wrap Essentials

Supplementary Investor Brochure

This Supplementary Investor Brochure dated 30 March 2006 relates to the Portfolio Administrator - Investment Wrap Essentials Investor Brochure dated 1 May 2005 (the Investor Brochure). This Supplementary Investor Brochure is issued by BT Portfolio Services Ltd ABN 73 095 055 208 and should be read in conjunction with the Investor Brochure. The information in this Supplementary Investor Brochure supplements the information dealing with the same subject matter in the Investor Brochure.

This Supplementary Investor Brochure outlines important changes relating to information contained in the Investor Brochure concerning the distribution of Portfolio Administrator - Investment Wrap Essentials which may affect new and existing investors.

Changes to the Distributor of Portfolio Administrator – Investment

Under its agreement with you set out in the Investor Brochure, BT Portfolio Services Ltd (BTPS) is able to make changes to this agreement. BTPS has made the following change effective from 1 April 2006:

- DKN Services Pty Ltd ABN 12 103 365 091 will replace Deakin Financial Services Pty Ltd ABN 98 084 676 871 as distributor of Portfolio Administrator - Investment Wrap Essentials.

The effect of this change is that, from 1 April 2006, Portfolio Administrator - Investment Wrap Essentials will be distributed by DKN Services Pty Ltd instead of Deakin Financial Services Pty Ltd.

DKN Services Pty Ltd holds Australian Financial Services Licence No. 290404 and specialises in the provision of professional investment advice and financial planning services. The advisers who are currently authorised to distribute Portfolio Administrator - Investment Wrap Essentials will remain authorised to do so, so for existing investors there will be no change to your current contacts for Portfolio Administrator - Investment Wrap Essentials. This amendment will not result in any significant change to the features available to you through Portfolio Administrator - Investment Wrap Essentials or the way you use the service.

If you have any questions about these changes to Portfolio Administrator - Investment Wrap Essentials, please contact your adviser.

Apart from any interest investors may have in underlying bank accounts held at Westpac Banking Corporation (the Bank), an investment in, or acquired through, Portfolio Administrator - Investment Wrap Essentials is not an investment in, deposit with or any other liability of, the Bank or any other company in the Westpac Group. These investments are subject to investment risk, including possible delays in repayment of withdrawal proceeds and loss of income and principal invested. Neither the Bank nor any other company in the Westpac Group stands behind or otherwise guarantees the capital value or investment performance of any investments in, or acquired through, Portfolio Administrator - Investment Wrap Essentials.

Investment in Wrap Essentials

The provision of this Investor Brochure, the Available Managed Funds List and investments through Wrap Essentials should not be taken as the giving of investment advice by BTPS in relation to investments acquired through Wrap Essentials. The Administrator is not aware of your objectives, financial situation or needs.

BTPS is a subsidiary of Westpac Banking Corporation ABN 33 007 457 141 ('Westpac'). Apart from any interest investors may have in underlying bank accounts held at Westpac through their Cash Account, or in Westpac securities acquired using Wrap Essentials, an investment in, or acquired using Wrap Essentials is not an investment in, deposit with or any other liability of Westpac or any other company in the Westpac Group. These investments are subject to investment risk, including possible delays in repayment of withdrawal proceeds and loss of income and principal invested. Neither Westpac nor any other company in the Westpac Group stands behind or otherwise guarantees the capital value or investment performance of any investments in, or acquired through Wrap Essentials.

→ The Wrap Essentials advantage

Wrap Essentials enables you to enjoy the control, choice, flexibility and service you expect from an investment service, all under a simple, competitive fee structure.

Control

Wrap Essentials is designed to provide you with greater control over your investments with the benefits of consolidated reporting and margin lending. Tax is calculated at an individual level to help you and your adviser maximise the tax effectiveness of your investments.

Choice

Wrap Essentials is an investment service that 'wraps' around your investments — offering you a single point of access to a range of managed funds.

Wrap Essentials also provides you with access to a Cash Account, which is used to settle transactions and pays a competitive interest rate. This means your money is working for you — even between investment decisions.

Flexibility

Wrap Essentials has flexible features that allow you to switch between managed funds, should your needs change. With a Distribution Reinvestment Plan, Regular Deposit Plan and Regular Investment Plan, Wrap Essentials makes it easy to manage your investments.

You can also access your investments by making regular or one-off withdrawals.

Service

Wrap Essentials offers quality services such as:

- consolidated reporting across your investments
- a 24 hour, 7 day a week telephone Voice Response Service¹ ('VRS') and a secure internet site. Refer to the telephone VRS number and website address on the inside back cover of this Investor Brochure.

This ensures that you and your adviser always have access to information about your account.

Importance of advice

This Investor Brochure has been designed to explain how Wrap Essentials works and how you can benefit from it. It contains important information that you should read carefully and discuss with your adviser.

One of the key benefits of Wrap Essentials is the range of managed funds it makes available for investment. However, not all of these investments may be suitable for your particular investment objectives, financial situation or individual needs.

Your adviser can provide you with advice tailored to your personal circumstances along with any other information you need to make an informed investment decision. The Administrator recommends that you speak to your adviser before making any investment decisions.

¹There is a fee for this service. Refer to 'VRS fee' in the 'Fees and other costs' section for further information.

How to register

Read this Investor Brochure and complete the attached Investor Registration Form.

Make your initial deposit into your Cash Account by:

- direct debit
- cheque (please make your cheque payable to 'BT Portfolio Services Ltd Cash Account – <investor name>'), or
- BPAY.

Send your Investor Registration Form (and cheque or payment instructions) to:

Wrap Essentials
GPO Box 2337
Adelaide SA 5001

Role of your adviser

Access to Wrap Essentials is only available to investors who have appointed an adviser registered to distribute Wrap Essentials. It has been designed to operate in conjunction with an adviser. Your adviser is responsible for ensuring you receive all relevant documents before placing a transaction and for keeping copies of your transaction instructions.

When you register to use Wrap Essentials, you appoint your adviser as your agent and agree that your adviser is authorised to:

- instruct the Administrator to transact in accordance with instructions you have given them, and
- receive information and reports on your behalf, to the extent permitted by law.

This authorisation will continue until you notify the Administrator in writing to the contrary.

Your adviser can perform online transactions under this authority which include (but are not limited to):

- placing your investment instructions, including instructions to buy and sell managed funds and change investment options
- transmitting your requests to make additional deposits into or withdrawals from your nominated external bank account
- receiving copies of documentation that the Administrator is required to provide to you in relation to your investments.

While your adviser should be your first point of contact in relation to your Wrap Essentials account, if for any reason your adviser is not able to place your investment instructions or otherwise deal with your Wrap Essentials account, you may deal with your Wrap Essentials account by sending your instructions to:

Wrap Essentials
GPO Box 2337
Adelaide SA 5001

You may need to complete particular forms for certain transactions which are available from your adviser or by visiting the internet site.

Appointing a representative

You may also appoint a representative to operate your account on a discretionary basis on your behalf (subject to certain exceptions, refer to 'Authority to operate' in the 'Important information' section for further information). This authority provides your representative with broad powers over your account, including the authority to place transactions for you via your adviser without receiving your specific authority.

Margin lending

Borrowing to invest ('gearing') may increase the amount of your potential investment returns because you invest more than you would be able to using your own money.

Margin lending is a powerful growth strategy that allows you to unlock the value of your Wrap Essentials account. You can use the value of your Wrap Essentials account to borrow money from BT Margin Lending so that you can invest in more managed funds, which can potentially increase your returns and diversification.

BT Margin Lending offers regular gearing. This means you can match your own equity with borrowed funds from BT Margin Lending to invest into selected managed funds on a regular basis. This can be a powerful tool to assist in building wealth gradually. More information is provided in the BT Margin Lending documentation available from your adviser.

While margin lending increases the potential return on investments, it is important to recognise that margin lending can also multiply the effects of falls in market values.

Margin lending may not be suitable for your particular investment objectives, financial situation or individual needs. Ask your adviser about how margin lending works, whether it is suitable for your circumstances and the risks of a margin loan. Refer to 'Gearing your Wrap Essentials account' in the 'Important information' section for further information.

Other personal assets

For a comprehensive financial picture, you can also include other personal assets such as investment properties, collectibles or mortgages in your Wrap Essentials account for reporting purposes. Your adviser is responsible for entering and updating details (such as the description and valuation) for any personal assets. Any income or profits from these assets will not be included in the consolidated tax reporting provided.

Preferred Portfolios

A Preferred Portfolio is a facility that allows you, through your adviser, to establish and maintain a pre-determined investment strategy for managed funds that enables all or part of your account to be tailored to your investment needs. This is achieved by rebalancing your managed funds back to your pre-determined investment strategy (on a periodic basis or as you direct).

If you elect to use the Preferred Portfolio facility, your adviser must receive written authorisation from you to instruct the Administrator to perform any transactions on your Preferred Portfolio. This includes:

- setting up the investment allocations and placing initial investments
- rebalancing your account according to your Preferred Portfolio percentage allocations, as a result of price movements or reinvested distributions (instructions for periodic rebalancing are required once only)
- varying the underlying investments or percentage allocations of your Preferred Portfolio and rebalancing to reflect the changes.

Before you make any decision in relation to a Preferred Portfolio you must obtain the current Product Disclosure Statement or other disclosure document(s) for the relevant underlying managed funds that contain more details in relation to those managed funds (unless there is no requirement for such a document to be provided). These are available free of charge and on request from your adviser.

You must provide written confirmation to your adviser before they instruct the Administrator to proceed with the underlying investments.

Your account may be rebalanced by:

- giving a written direction to your adviser (which you may do at any time), or
- periodic rebalancing.

By providing your adviser with an authority to periodically rebalance your account, you instruct the Administrator to acquire or dispose of your underlying managed funds as required to maintain the allocations specified for your Preferred Portfolio.

You may instruct the Administrator to undertake periodic rebalancing:

- quarterly on or around the 8th of the last month of the quarter (March, June, September, December)
- half-yearly on or around the 8th of June and December, or
- annually on or around the 8th of June.

Transactions to rebalance your account may not be implemented in certain circumstances, such as:

- where all assets in your account are within 2% of the original specified allocation
- where the transaction value is less than \$100
- where the Administrator is not reasonably satisfied that you have received a current copy of this Investor Brochure or the current disclosure document for the relevant managed funds, that is not defective, or
- if a managed fund is closed to new investments or no longer available, no further purchases can be made through a Preferred Portfolio into that managed fund and any future allocations for that managed fund will remain in your Cash Account.

→ **Investment options and services**

Wrap Essentials offers a single point of access to a range of managed funds and diversification through a selection of asset classes.

Managed funds

The selection of managed funds available through Wrap Essentials encompasses the services of a number of leading fund managers.

Your adviser can provide to you, without charge, the latest Available Managed Funds List which sets out the current list of managed funds available for investment. This may be updated from time to time.

Investing in and withdrawing from managed funds

Your adviser can place your instructions online. If a completed and valid application or withdrawal instruction is received by the Administrator before 11.00am (Sydney time) on any business day¹, your transaction instruction will generally be placed with the fund manager on the same business day. However, in times of high demand it may take longer.

The time it takes for the transaction to be processed and the price of the units will vary depending on the administration requirements of the fund manager or market liquidity. Unit prices are determined by the fund manager and are usually calculated daily or weekly. Unit prices at the time of placing a transaction are only a guide and may change as markets move.

Partial withdrawal instructions will not be processed if they exceed 95% of the total value of your holding in the managed fund.

Once your transaction occurs it will be settled via your Cash Account. This will generally be completed within ten business days. Your adviser will receive confirmation of the transaction and the unit price applicable for that transaction.

There may be delays in applying for or realising investments in some managed funds. For example, a delay may occur where the managed fund is illiquid or has minimum transaction requirements.

Sometimes, instructions are received from different investors to buy and sell the same managed fund. These instructions can be offset so that only one net application or withdrawal request is made to the fund manager (this is called 'netting'). When this occurs, and subject to the net application or withdrawal request being accepted by the fund manager, investors who instructed the Administrator to dispose of an investment in the managed fund will have that investment cancelled. Investors who instructed the Administrator to acquire an investment in the managed fund will acquire that interest. This netting process may mean saving transaction costs and the Administrator is entitled to keep any benefit arising from the netting process.

How to invest in managed funds

Investing in managed funds through Wrap Essentials is straightforward. All you and your adviser need to do is:

- select the underlying managed fund you are interested in and obtain a copy of the Product Disclosure Statement or other disclosure document(s) that contains relevant details, which usually include past performance, fees and risk/return information. Disclosure documents are available, without charge, from your adviser
- read the documents carefully before deciding to invest. Remember, you don't need to complete the application form contained in the disclosure document for the managed fund, and
- provide a completed Managed Fund Transaction Form to your adviser. They can place your transaction instruction online on your behalf. Transaction confirmations can be accessed by visiting the internet site.

Switching between managed funds

You may instruct the Administrator (through your adviser) to switch between your managed funds at any time.

An instruction to switch between managed funds will be processed as a withdrawal from one managed fund followed by an application into another, with your Cash Account being used as the settlement account. That is, proceeds from the sale of a managed fund will be placed into your Cash Account, and the funds in your Cash Account will then be used for the application into the new managed fund.

However, if there are sufficient cleared funds available in your Cash Account at the time the switch request is received, the application may also be placed at that time.

The minimum switch amount is \$1,000 and you must keep a minimum balance of \$1,000 in each managed fund. A switch may incur the relevant buy/sell spreads and possibly have taxation implications. Refer to the 'Fees and other costs' section for further information.

Distribution reinvestment option

As your investment grows, you can choose to either reinvest your distributions from all or a selection of your managed funds (where the underlying managed fund permits reinvestment) or deposit them into your Cash Account. You can nominate your distribution option on placement of your managed fund transaction instructions. The Administrator will apply the distribution option last nominated prior to the date the distribution is paid. If you do not nominate a distribution option, your distributions will be reinvested into your managed fund holding.

Any reinvestment option available in respect of a managed fund will be provided by the responsible entity of the relevant managed fund and should be provided in accordance with the terms of the Product Disclosure Statement or other disclosure document(s) for that managed fund. At the time that income is reinvested into any managed fund, you may not have the current Product Disclosure Statement or other disclosure document(s) for those managed funds. These can be obtained on request and without charge from your adviser.

How investing in managed funds through Wrap Essentials is different to investing directly

Investing through Wrap Essentials	Investing directly
<p>Consolidated reporting You will receive comprehensive consolidated reporting on your account.</p>	<p>Reporting is not consolidated Your reporting is on a fund-by-fund basis.</p>
<p>Beneficial ownership of your managed funds You retain beneficial ownership of your units in managed funds. The Administrator is the legal owner of the units and keeps a record of the units held on your behalf.</p>	<p>Direct ownership of your managed funds You are the legal and beneficial owner of your managed funds, and acquire all rights attaching to unit ownership.</p>
<p>No cooling-off rights The Administrator is a wholesale investor and so may not become entitled to any cooling-off rights when investing in units in managed funds on your behalf. As the beneficial owner of the units, you will generally not be entitled to any cooling-off rights.</p>	<p>Cooling-off rights If you are a retail client you may be entitled to a 14 day cooling-off period with respect to your managed funds. If you exercise your right within the cooling-off period, you can have your application money returned (subject to some adjustments).</p>
<p>No communications from fund managers Because the Administrator holds the managed fund units on your behalf, you will not normally receive communications, such as annual or other reports, notices of meetings, or notification of changes in investment policies and fees, from the fund managers. You can obtain this information by providing the Administrator with instructions specifying the information you require.¹</p>	<p>Regular communications from fund managers You will receive regular communications from fund managers including annual reports, notices of meetings and notification of changes to fees and investment policies.</p>

There is no obligation on the Administrator to vote, exercise any right, or participate in any investor schemes attached to the managed funds in your Wrap Essentials account. However, if the Administrator does vote, it will act in accordance with your instructions.

The Cash Account

How the Cash Account works

When you join Wrap Essentials, a Cash Account will be established automatically for you.

Your Cash Account is used to settle your managed fund transactions and can be linked to a nominated external bank account. Deposits into and withdrawals from your Cash Account are transferred via your nominated external bank account. When the money is received, it will be credited to your Cash Account. Your cash will be held in one or more underlying bank accounts maintained by the Administrator at Westpac. Refer to 'How your Cash Account works' in the 'Important information' section for further information.

Earn a competitive interest rate

Your Cash Account earns a competitive interest rate, which means your money is working for you even if you are between investments. Interest on your Cash Account will accrue daily and be credited to your balance quarterly in arrears.

The declared rate of interest will not be lower than the average of the interest rates for the four major Australian banks for their Cash Management Accounts for balances of \$10,000.

¹If you do instruct the Administrator to provide this information, the Administrator reserves the right to charge a minimum of \$10 for each item requested. This charge would be deducted from your Cash Account.

Minimum balance

You are not required to keep a minimum balance in the Cash Account. However, if you do not keep sufficient cash in the Cash Account for fees, costs and other money you owe in relation to your account, the Administrator is authorised to sell your investments. Refer to 'How your Cash Account works' in the 'Important information' section for further information.

Managing your Cash Account balance

You and your adviser are responsible for ensuring that sufficient cleared funds are available in your Cash Account to cover your transactions and meet payments as they fall due. You can authorise your adviser to place certain transaction instructions with the Administrator on your behalf in order to ensure funds are available to satisfy this requirement.

Generally, investment transactions and one-off withdrawals will not be processed if funds are not available to cover the amounts involved. However the Administrator may, in its discretion, settle certain transactions in the circumstances described in 'How your Cash Account works' in the 'Important information' section, but is not obliged to do so.

In relation to the Ongoing advice fee and Regular Withdrawal Plan payments, Wrap Essentials has a facility which sells down your investments in accordance with the applicable drawdown strategy where necessary, to fund these payments. This means that the payments may be processed even if cleared funds are not available. If, at any time, the Administrator determines that you will not have sufficient cleared funds available in your Cash Account to cover any upcoming:

- Regular Withdrawal Plan payments as they fall due, and
- Ongoing advice fee payments;

your account will have a 'shortfall' equal to the amount required to fund the payments.

In the event of a shortfall:

- if your account is not geared with BT Margin Lending, you instruct the Administrator to sell your investments in accordance with your nominated drawdown strategy or, if there is none, the standing drawdown strategy described below, or
- if your account is geared with BT Margin Lending, and:
 - you nominate in the Investor Registration Form to pay the shortfall by implementing a drawdown strategy, or
 - you do not have available funds to borrow;

you instruct the Administrator to sell your investments in accordance with your nominated drawdown strategy or, if there is none, the standing drawdown strategy. In all other circumstances, you instruct the Administrator to draw down from your BT Margin Loan.

In all cases, your instructions are to realise investments or draw down from your BT Margin Loan (as applicable) to the extent necessary to make good the shortfall.

To nominate a drawdown strategy, complete section 11 or section 18 (for Geared Wrap Essentials accounts) of the Investor Registration Form or arrange for your adviser to submit a completed Nominated Drawdown Strategy Form online on your behalf.

If you do not nominate a drawdown strategy, or if your nominated drawdown strategy cannot be implemented in respect of your investment holdings at the time of drawdown, you instruct the Administrator to sell your investments in accordance with the standing

drawdown strategy. Under this standing strategy, investments are sold from your managed funds, starting with the holding with the highest value.

Please note in connection with this drawdown facility:

- where you have a Preferred Portfolio (described in the 'Other important features' section), you instruct the Administrator to draw down your holdings on a pro-rata basis (by value), across all of your investment holdings (excluding cash), including any holdings that are not included in your Preferred Portfolio (any nominated drawdown strategy and the standing drawdown strategy will not apply)
- transaction fees will not apply to transactions processed under the facility
- managed funds that are illiquid or have withdrawal restrictions should not be included in your drawdown strategy as withdrawals from such managed funds may not be processed under the facility in time to fund the relevant payment, and
- if separate transaction instructions are received by the Administrator or any unrelated payment is processed after a sell-down of investments under the facility has commenced, it is possible that the proceeds of the sell-down may be appropriated to the subsequent transaction or payment. If this occurs, the payment to which the sell-down relates may not be processed.

Closing your account

You can close your Wrap Essentials account at any time by instructing your adviser or the Administrator in writing.

Your managed funds will generally be redeemed and the proceeds deposited into your Cash Account. Alternatively, your adviser will be able to tell you if you are eligible to receive a transfer of your managed funds.

Once all your investments are redeemed or sold and the proceeds deposited into your Cash Account, funds from your Cash Account (less any applicable fees and costs) will be deposited into your nominated external bank account.

Closing your account may take up to 30 calendar days depending on fund managers, market liquidity or any pending distributions. In exceptional circumstances, such as if a managed fund becomes illiquid or has withdrawal restrictions, the time taken to get your funds may be longer.

You are responsible for any costs, tax or stamp duty consequences of investing in or exiting Wrap Essentials.

→ Easy transaction options

You can choose from a range of flexible transaction options that have been designed to make investing and accessing your account easier.

Investments and withdrawals

You can make deposits into and withdrawals from your Cash Account by:

One-off direct debit

You can instruct your adviser to make one-off deposits from your nominated external bank account to your Cash Account, provided you have linked your bank account to your Cash Account.

You can also permit third parties, to whom you are indebted, to source direct debit payments from your Cash Account.

Cheque and deposit book facility¹

A deposit book is available to allow you to deposit funds into your Cash Account from any Australian bank account.

In addition, you can access your available Cash Account balance easily by using a cheque book. To apply for a cheque or deposit book, simply complete section 10 of the Investor Registration Form.

If you choose to apply for the cheque book facility, you will need to meet identification requirements set down by legislation before a cheque book can be issued. Please complete the AUSTRAC Acceptable Referee Form for each signatory. You must also complete the additional requirements as outlined in the FTRA Requirements Form in the forms section of this Investor Brochure.

BPAY

Initial and additional deposits can be made into your Cash Account using BPAY.

Your adviser will receive notification of your client number, which you will need in order to make your initial deposit via BPAY.

To make a deposit using BPAY:

1_Access your bank's phone or internet banking service and select the BPAY option.

2_Enter the Biller Code.

The Biller Code for an initial deposit is 81976. (This Biller Code is not to be used for additional BPAY deposits).

The Biller Code for an additional deposit is 81984.

3_Enter the Customer Reference Number ('CRN') for your account. The CRN is 0101 + your investor number (exclude the M). For example, if your investor number is M01234567, your CRN will be 010101234567.

4_A receipt number will be provided for your transaction. Please keep this for your records.

Withdrawals on request

You can provide instructions to withdraw funds from your Cash Account on a regular or one-off basis. These funds will be deposited into your nominated external bank account. If you would like to fund part of a one-off withdrawal from the sale of assets, you must arrange this prior to lodging your withdrawal request.

In exceptional circumstances, such as if a managed fund becomes illiquid or has withdrawal restrictions, it may take some time to access your funds.

¹Refer to 'Cheque and deposit book facility' in the 'Important information' section for further information.

Regular Deposit Plan

The Regular Deposit Plan enables you to deposit funds regularly from your nominated external bank account into your Cash Account.

Minimum transaction amount	Flexibility	Date to establish, change, suspend or cancel
\$100 per deposit deducted from your nominated external bank account on or around the 20th of the relevant month.	Your Regular Deposit Plan allows you the flexibility to determine the following: <ul style="list-style-type: none"> → month to commence → frequency <ul style="list-style-type: none"> – monthly – quarterly (March, June, September, December) – half-yearly (June and December), or – annually (June) → the amount of your regular deposit → month to end (optional). 	Instructions must be received by the 15th of the month to allow them to be processed for that month. Your Regular Deposit Plan will be automatically cancelled when you withdraw your entire balance from your Cash Account. ¹

Regular Investment Plan

The Regular Investment Plan enables you to make regular investments into managed funds from your Cash Account. This dollar cost averaging process spreads your purchase over a number of periods, which may reduce the impact of market volatility on your account.

Minimum transaction amount	Flexibility	Date to establish, change, suspend or cancel
\$100 per managed fund deducted from the balance in your Cash Account on or around the 21st of the relevant month.	Your Regular Investment Plan allows you the flexibility to determine the following: <ul style="list-style-type: none"> → month to commence → frequency <ul style="list-style-type: none"> – monthly – quarterly (March, June, September, December) – half-yearly (June and December), or – annually (June) → the amount of your regular investment → month to end (optional). 	Mailed instructions must be received by the 15th of the relevant month to allow them to be processed for that month. Instructions submitted by your adviser online will be processed provided they are received by the Administrator at any time before the date on which the relevant funds are deducted from your Cash Account (generally on or around the 21st of the relevant month). Regular Investment Plans must be set up for a period greater than six months.

If instructions submitted online also include instructions to establish, change, suspend or cancel a Regular Deposit Plan and they are received after the 15th of the relevant month, the instructions in relation to the Regular Deposit Plan will not be processed for that month. This may affect the extent to which the Administrator is able to process your instructions in relation to your Regular Investment Plan. Your adviser is responsible for placing instructions online on your behalf.

¹If a Regular Deposit Plan or Regular Investment Plan fails, (for example, there is insufficient cash in the nominated external bank account) for three consecutive periods, it may be cancelled by the Administrator.

If you fully withdraw from a managed fund that forms part of a Regular Investment Plan, the managed fund will be removed from the Regular Investment Plan. If this is the only managed fund within the Regular Investment Plan, the Regular Investment Plan itself will be cancelled¹.

One-off withdrawals

You can provide instructions to withdraw funds from your Cash Account.

Minimum transaction amount	Flexibility	Date to establish, change, suspend or cancel
\$1,000 per withdrawal paid from your Cash Account to your nominated external bank account (unless you are closing your account).	One-off withdrawals allow you access to your funds as you require. Your funds will generally be available within 48 hours of receipt of your withdrawal request. This may be longer if a credit union account is your nominated external bank account.	Not applicable.

Regular Withdrawal Plan

The Regular Withdrawal Plan enables you to withdraw funds regularly from your Cash Account to your nominated external bank account.

Minimum transaction amount	Flexibility	Date to establish, change, suspend or cancel
\$100 per withdrawal paid from your Cash Account to your nominated external bank account. Funds are deposited into your nominated external bank account on or around the 20th of the relevant month.	Your Regular Withdrawal Plan allows you the flexibility to determine the following: <ul style="list-style-type: none"> → month to commence → frequency <ul style="list-style-type: none"> – monthly – quarterly (March, June, September, December) – half-yearly (June and December), or – annually (June) → the amount of your regular withdrawal → month to end (optional). 	Instructions must be received by the 15th of the relevant month to allow them to be processed for that month. However, if you wish to establish or change a Regular Withdrawal Plan and rely on the drawdown facility described under the heading 'Managing your Cash Account balance' in the 'Investment options and services' section to provide funds in respect of the new or amended instructions, the Administrator must receive your instructions at least ten business days before the relevant payment date to be implemented for that period.

¹ If a Regular Deposit Plan or Regular Investment Plan fails (for example, there is insufficient cash in the nominated external bank account) for three consecutive periods it may be cancelled by the Administrator.

→ Keeping you informed

Wrap Essentials' range of convenient services helps to place the information you need at your fingertips.

Consolidated reports

Wrap Essentials provides you with consolidated reports for your account. In addition, your adviser always has online access to your reports. You can also access your reports via the internet site.

At the end of each quarter, the Administrator will provide you with a report that summarises your account valuation, transactions and income for the quarter. In addition, a comprehensive annual report that details your tax position will be provided after the end of the financial year. Taxation information will only be provided upon receipt of all necessary information from third parties.

Telephone and internet access

The internet service provides access to information about your investments 24 hours a day, 7 days a week via the telephone VRS or the internet site. Refer to the telephone VRS number and website address on the inside back cover of this Investor Brochure. You can enquire about and view your account balance, investment holdings and transactions.

Information is generally current as at close of business on the prior business day. When you register for Wrap Essentials, you will automatically be provided with a Personal Identification Number ('PIN')¹ for telephone VRS access which you can then use to obtain a password.¹

Electronic reporting

Electronic reporting of information including quarterly reports is available to you.

During the life of this Investor Brochure, the Administrator may introduce continuous electronic reporting of information instead of sending you quarterly reports. When this facility is available and if you elect to use it, the Administrator will not send you quarterly reports. By electing to use the facility, you agree that you are able to electronically access this information on a substantially continuous basis or have in place arrangements to be able to receive the information on a substantially continuous basis.

You can access your reports via the internet site by obtaining a password via the telephone VRS. With your adviser, you can select the content and frequency of reporting to suit your needs.

Feedback and complaints

If you have a concern or complaint about Wrap Essentials that you cannot resolve with your adviser, please refer the matter in writing to:

The Complaints Officer
Wrap Essentials
GPO Box 2675
Sydney NSW 2001

The Complaints Officer will acknowledge receipt of your complaint, and will endeavour to resolve the situation within 30 days of receiving your letter.

¹Your PIN and password should be kept strictly confidential because access will be granted to, and instructions taken from, any person who uses them. If you forget or lose your PIN or password, you should notify the Administrator

immediately. Refer to 'Voice Response Service and internet service' in the 'Important information' section for the terms and conditions governing the telephone VRS and the internet service.

If you remain dissatisfied with the Administrator's response (or have not received a response within 45 days), you may escalate your complaint to the Financial Industry Complaints Service Limited ('FICS') by calling 1300 780 808 (toll free), faxing to 03 9621 2291 or writing to:

Financial Industry Complaints Service
PO Box 579
Collins Street West
Melbourne VIC 8007

FICS is an independent body, set up to assist customers in the resolution of complaints relating to members of the financial services industry including life insurance and funds management companies.

Changing your details

If you need to change any of your personal details, you need to let the Administrator know in writing. This may include:

- changing the name on your account, provided there is no change of beneficial ownership (you may need to sign new documents. There may also be tax and other implications)
- advising new contact details
- requesting a replacement telephone VRS PIN
- advising a new bank account (using a Direct Debit Request Form)
- changing your adviser (you may need to complete an Investor Registration Form)
- altering your adviser fees and remuneration (you may need to complete an Adviser Remuneration Amendment Form).

These changes should be mailed directly to:

Wrap Essentials
GPO Box 2337
Adelaide SA 5001

→ Fees and other costs

It is important to realise that the total fees and charges you will pay will include the costs of Wrap Essentials as well as the costs of any investments you choose. It is important that you understand the fees of any investment you choose, and that those fees are in addition to the fees charged by the Administrator for Wrap Essentials, together with transaction and account costs incurred on your behalf. The costs of the investments you choose will generally be set out in a disclosure document or Product Disclosure Statement for the investments.

This section of the Investor Brochure shows the fees and other costs that you may be charged. These include fees and costs that:

- are charged by the Administrator for the Service;
- you may agree to pay your adviser for services they provide; and
- are charged by third parties for other products or services they provide (such as investment managers of your underlying managed fund investments).

These fees and costs may be deducted from your money, from the returns on your investment or from your account's assets as a whole.

You should read all of the information about fees and costs, because it is important to understand their impact on your investment.

Refer to the 'Understanding risks and taxation' section for more information about taxes.

Fees and costs for particular managed funds are set out in the latest Available Managed Funds List and the Product Disclosure Statement or other disclosure document(s) for each managed fund.

Additional explanation of fees and costs

Adviser fees You may negotiate with your adviser to pay the following fees to your adviser or the Distributor. You must specify these fees on the relevant form.

Type of fee	Amount	How and when paid
Contribution fee	0–5% of each investment you make into your account	<p>You may agree to pay a dollar or percentage Contribution fee in respect of initial investments you make into Wrap Essentials.</p> <p>You may also agree to pay a separate percentage Contribution fee for subsequent investments and deposits made under a Regular Deposit Plan.</p> <p>The contribution fees must be specified on your Application Form either as a dollar or percentage amount.</p> <p>Contribution fees will be deducted from the balance in your Cash Account at the time of each investment. If a percentage Contribution fee is selected for your initial investment, this percentage will be deducted from all deposits (excluding deposits under a Regular Deposit Plan) received within three months of the establishment of your account, unless the Administrator is otherwise instructed.</p>
Ongoing advice fee	0–2% pa of the balance of your account	<p>You may agree to pay a dollar or percentage Ongoing advice fee. This fee must be specified on your Application Form as either a dollar or a percentage amount.</p> <p>If a percentage Ongoing advice fee is specified on your Application Form, this fee will be calculated on the average of your opening and closing account balance (excluding nil balances) for each month or part of a month (where you have not maintained an account for an entire month) and will be deducted from your Cash Account on a monthly basis.</p>
Managed fund transaction fee	0–5% of each investment you make into selected managed funds	<p>You may agree to pay a dollar or percentage Managed fund transaction fee. This fee must be specified on your Managed Fund Transaction Form.</p> <p>The Managed fund transaction fee will be deducted from your Cash Account at the time of investment into selected managed funds.</p>

Investment manager fees The managed funds offered through Wrap Essentials are managed and operated by third parties that charge fees and costs for the management and administration of the managed funds. The investment returns for each managed fund are net of the fees and costs. That is, the fees and costs are deducted from the value of the managed fund before the unit price is calculated. The Fee Measure provides a useful measure of the ongoing fees and costs of investing in a managed fund. It includes the management fee and other expenses but not transaction costs. The Fee Measure for each managed fund may vary from year to year.

Further information regarding the Fee Measure and the fees and costs for each managed fund are provided in the latest Available Managed Funds List and the Product Disclosure Statement or other disclosure document(s) for these managed funds.

Cash Account fee The Cash Account fee is charged by the Administrator for the administration of your Cash Account. This amount is not separately deducted from your account balance. This fee is the difference between the rate earned by the Administrator from the Australian Authorised Deposit-taking Institutions ('ADIs') on the underlying accounts which constitute your Cash Account and the rate the Administrator declares for your Cash Account payable to you. The declared rate of interest will not be lower than the average of the interest rates for the four major Australian banks for their Cash Management Accounts for balances of \$10,000.

Buy/sell spread

When buying and selling units in unlisted managed funds, the fund manager is generally entitled to charge the unitholder an amount representing a contribution to the cost of purchasing or selling the underlying assets. These costs include things like brokerage and stamp duty. The charge is usually reflected in the difference between the entry price and exit price of a unit and is commonly referred to as a buy/sell spread. The buy/sell spread is charged by the fund manager and is applied before the unit price is provided to the Administrator. The buy/sell spread has two components:

- an amount added as part of the calculation of the entry price, payable when you acquire an investment; and
- an amount subtracted as part of the calculation of the exit price, payable when you dispose of your investment.

The buy/sell spread is an additional cost to you.

When carrying out a managed fund transaction, the Administrator may offset your instructions to buy or sell assets against another investor's instructions to sell or buy those assets so that only net transactions are acted on. The Administrator will retain any benefit that may be secured from netting.

Margin Lending

A margin lender, from whom you may borrow to invest in the security of your Wrap Essentials account, may require you to pay a fee in relation to the margin loan. These fees will be disclosed in the loan documentation.

VRS fee

You will be charged a Telstra fee (currently \$0.50 per minute — higher for mobiles) for using the telephone Voice Response Service. This will be billed to your phone account. The Administrator may receive a portion of the Telstra fee charged to you for using the telephone Voice Response Service.

Cheque and deposit book fees

The Administrator may charge cheque and deposit book fees. If these fees are charged, they will be deducted from your Cash Account at the following rates:

A cheque book containing 20 cheques/10 deposit slips	\$5
A cheque drawn for less than \$400	\$10
Request to stop or alter a transaction	\$20
Request for a cheque to be traced	\$20
Special clearance (at time of investment only)	\$15
Dishonoured cheques: invested	\$35 per cheque
written by you	\$35 per cheque

Other fees and costs

All Government and other fees and costs (including bank fees, stamp duty, cheque dishonours, fail fees and penalty interest), incurred as a result of a contribution or withdrawal, will be on-charged to you. If you request any documents from the Administrator regarding managed funds, you may be charged the costs of obtaining and mailing the documents to you (minimum charge \$10). This charge may be deducted from the balance in your Cash Account at the time of request.

You also provide indemnities to the Administrator and its agents. Refer to 'What do you need to pay and indemnify the Administrator for?' in the 'Important information' section for further information.

→ Fees and other costs

Taxes	<p>Information regarding some taxes relevant to your account are set out in the 'Understanding risk and taxation' section in this Investor Brochure.</p> <p>Unless otherwise stated, the fees quoted in this section are quoted on a GST inclusive basis and net of any applicable reduced input tax credits ('RITCs')¹.</p>
Changes in fees and costs	<p>The Administrator will give you 30 days written notice before any increase in fees or the introduction of new fees .</p> <p>In the event of any change in tax laws or their interpretation which affects the GST payable or the RITCs that Wrap Essentials may receive, the amounts deducted from your Cash Account in respect of the fees and costs applied to your Wrap Essentials account may be varied or adjusted to reflect such changes without your consent or further notice to you.</p>
Waivers of fees and costs	<p>Generally the amounts of the fees and costs that will apply to your Wrap Essentials account will be as disclosed in this section unless the Administrator gives you 30 days notice of any increase.</p> <p>However, the Administrator may, at its discretion and with the consent of the Distributor, either generally or on request from you or your adviser reduce or waive any of the fees and costs.</p>
Fees and costs for existing members	<p>Different fees and costs may apply to members who established their account in Wrap Essentials before the date of this Investor Brochure, in accordance with the terms that applied at the date their account was established as modified in accordance with those terms or by subsequent agreement.</p>
Fee allocations and platform payments	<p>The Administrator may pay, at its discretion, up to 100% of the amounts referred to under 'Product access payments and fund manager payments' below that it receives to your adviser, your adviser's dealer group, and/or the Distributor. In general, the Administrator pays trail commission of up to 0.60% pa of the value of your account, which may be split between your adviser, their dealer group and the Distributor. The amount of commission paid by the Administrator may vary between advisers and Distributors and may also vary from time to time. More specific details of these payments will be outlined in the statement of advice that is provided to you by your adviser.</p>
Product access payments and fund manager payments	<p>At the date of this Investor Brochure, the Administrator may receive product access payments from fund managers or operators of up to \$5,000 pa (per fund manager) plus \$3,500 pa (per managed fund accessible through the Service) for administration and investment related services or fund manager payments for volumes of business generated. These fund manager payments vary between fund managers and are up to 1.95% pa of the total amount invested in an managed fund. The amount of these product access and fund manager payments may increase during the life of this Investor Brochure. Product access and fund manager payments are paid by the fund managers or operators out of their own resources and are not additional to the Fee Measure paid by you.</p>

¹ Refer to 'Goods and services tax' in the 'Understanding risk and taxation' section for further information.

Register of alternative forms of remuneration

The Administrator maintains a register that outlines the material alternative forms of remuneration that it pays to some distributors of the Service or receives from providers of some of the products that are available through the Service. The register is publicly available and you can obtain a copy by contacting the Administrator on 1300 657 010.

Related party investment arrangements and transactions

Some of the managed funds available through the Service are operated by Westpac Group companies and they receive fees for doing so. Members of the Westpac Group may also hold on deposit and manage the monies of your Cash Account on a daily basis and may perform other services in relation to assets (such as underwriting their issue). Related parties will receive fees for services they provide. All arrangements are on an arm's length basis.

Example of annual fees and costs for a balanced investment option

This table gives an example of how fees and costs in the balanced investment option for this product can affect your investment over a 1 year period. You should use this table to compare this product with other investment products.

EXAMPLE — the balanced investment option		BALANCE OF \$50,000 WITH A CONTRIBUTION OF \$5,000 DURING YEAR
Contribution fee	0–5%	For every \$5,000 you put in, you will be charged between \$0 and \$250
PLUS Management costs	1.90%	And , for every \$50,000 you have in your account, you will be charged up to \$950 each year ¹ .
EQUALS Cost of Wrap Essentials		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees of from: \$950 to \$1,200 ² What it costs you will depend on the investment options you choose and the fees you negotiate with your adviser.

1_The Investment costs included in this figure have been calculated using the Fee Measures for all available balanced investment options.

2_Additional fees may apply as this example does not take account of other fees and costs described in this section that may apply to some or all of the

available investment options, such as other Adviser fees, Cash Account fees, any applicable buy/sell spread charges or Government or bank fees. Refer to 'Worked dollar examples' in this section for more detailed examples of the fees and other costs that may apply.

→ Fees and other costs

Worked dollar examples

In Example One, you invest an initial contribution of \$10,000 into Wrap Essentials, which is then invested into two managed fund holdings of \$5,000 each. In Example Two, you invest an initial contribution of \$50,000 into Wrap Essentials, which is immediately invested into two managed fund holdings of \$25,000 each.

In both examples, when you invest you agree to pay your adviser a Contribution fee of 0.50%, an Ongoing advice fee of 0.40% pa and a Managed fund transaction fee of 0.50% on your initial managed fund investments. In year two, no further contributions are made and the Ongoing advice fee of 0.40% pa continues to apply.

For the purpose of these examples, it is assumed that no other transactions are made throughout the first year of investment, and that the average account balances in both year one and two remain at \$10,000 and \$50,000 respectively.

These examples assume you do not have a Preferred Portfolio, do not include the Cash Account fee, any applicable buy/sell spread charges, Government or bank fees or the other fees and costs described in this 'Fees and other costs' section. These fees will vary depending on how often you transact, and the fees agreed between you and your adviser. Your adviser can show you an estimate of the cost to administer your own account.

Fees incurred		Example One		Example Two	
		Calculation	Fee amount	Calculation	Fee amount
Fees when your money moves in or out of Wrap Essentials	Contribution fee	$\$10,000 \times 0.50\%$	\$50 (Applicable in year 1 only)	$\$50,000 \times 0.50\%$	\$250 (Applicable in year 1 only)
Management costs	Investment manager fee (Assumed Fee Measure 1.90% pa)	$(2 \times \$5,000) \times 1.90\%$	\$190	$(2 \times \$25,000) \times 1.90\%$	\$950
Other Adviser fees (other than Contribution fee)	Ongoing advice fee	$\$10,000 \times 0.40\%$	\$40	$\$50,000 \times 0.40\%$	\$200
	Managed fund transaction fee	$\$10,000 \times 0.50\%$	\$50 (Applicable in year 1 only)	$\$50,000 \times 0.50\%$	\$250 (Applicable in year 1 only)
Fees incurred for year one	Total dollar cost	$\$50 + \$190 + \$40 + \50	\$330	$\$250 + \$950 + \$200 + \250	\$1,650
	Percentage of your account	$\$330 \div \$10,000$	3.30%	$\$1,650 \div \$50,000$	3.30%
Fees incurred for year two	Total dollar cost	$\$190 + \40	\$230	$\$950 + \200	\$1,150
	Percentage of your account	$\$230 \div \$10,000$	2.30%	$\$1,150 \div \$50,000$	2.30%

→ Understanding risk and taxation

Wrap Essentials offers a range of investment options to meet different risk and return expectations.

All investing involves risk

It is important to note that all investments involve varying degrees of risk. There are a multitude of factors beyond the control of investors that may affect investment returns, such as:

- **security specific risk:** an investment in, or with exposure to a company or managed fund, may be affected by unexpected changes in that company's or managed fund's operations (due to quality of management, use of technology etc) or its business environment
- **market risk:** markets are affected by a host of factors including economic and regulatory conditions, market sentiment, political events and environmental and technology issues. These could have a negative impact on returns of all investments in that market. This may affect investments differently at various times
- **currency risk:** if an investment is held in international assets, a rise in the Australian dollar relative to the other currencies may negatively impact investment value or returns
- **interest rate risk:** changes in interest rates can have a negative impact either directly or indirectly on investment value or returns of all types of assets.

Once you have taken these factors into account, you and your adviser can choose the investment strategy that suits your risk/return profile and helps you achieve your goals.

Diversification

One of the most effective ways to manage risk is to diversify your investment. Diversification means spreading your investments across:

- a range of asset classes including shares, property, fixed interest and cash investments
- a number of different securities (in different regions or sectors) or fund managers (with different investment styles), and
- both local and overseas investments.

This may help reduce the risk because it minimises the impact of poorly performing asset sectors, while allowing you to benefit from sectors that are performing well. So by spreading your investments, you can help reduce the extremes in performance and reduce risk.

Other risks

The Product Disclosure Statement or other disclosure document(s) for each managed fund will explain the risks relevant for that investment. Your adviser will be able to help you assess your risk tolerance and endeavour to ensure your investment choices meet your individual investment objectives, financial situation and needs.

If you use a margin loan you should be aware that gearing, while increasing your potential for returns, can also increase the size of losses.

By issuing this Investor Brochure or promoting Wrap Essentials, the Administrator in no way endorses individual investments available through Wrap Essentials as being suitable for investment or makes any representation about the worth or security of such investments.

An investment acquired using Wrap Essentials does not represent an investment in, or deposit with the Administrator or other persons involved in Wrap Essentials.

Operational risk

Wrap Essentials depends on the integrity of its administration and computer systems. However, there is a risk that these systems may not be available in certain circumstances. Refer to 'BT Portfolio Services Ltd' in the 'Important information' section for further information.

You should be aware of these risks when investing and that not all risks can be foreseen.

Taxation

Any investment decision you make will have tax consequences and may also have social security and stamp duty consequences. The impact depends on your individual circumstances. You are responsible for all such consequences of dealing with your assets.

Generally, each financial year you are liable to pay tax on any capital gains arising upon disposal of your investments, interest, distributions or other income from your investments (even if reinvested). You may be entitled to some rebates or tax credits. The Administrator strongly recommends that you seek advice appropriate to your circumstances before you transact in any assets using Wrap Essentials or alter your details.

Collection of TFNs is authorised and their use and disclosure are strictly regulated by the tax laws and Privacy Act. Quotation of a TFN is not compulsory, but tax may be taken out of your distributions and interest earned on your Cash Account at the highest marginal tax rate plus the Medicare levy if you do not quote your TFN or claim an exemption. By quoting your TFN, you authorise the Administrator to apply it for your Wrap Essentials account and the investments acquired for you. You authorise disclosure to the Australian Taxation Office ('ATO') as the Administrator considers necessary to give effect to your instructions. For more information about the use of TFNs, contact the ATO.

If you are not an Australian resident for tax purposes, then interest and distributions that are paid to you from an Australian source may be subject to withholding tax. You are subject to the tax laws in your country of residence and should obtain tax advice before investing.

Goods and services tax ('GST')

You agree that the Administrator will apply any RITCs it receives to complete payment of the total GST inclusive amount of fees that apply to your account.

In the event of any change in tax laws or their interpretation which affects the RITCs that the Administrator may receive, the amounts deducted from your Cash Account in respect of the fees and costs applied to your Wrap Essentials account may be varied or adjusted to reflect such changes without further notice to you.

If you are registered for GST purposes and have provided the Administrator with your Australian Business Number, the Administrator will make tax invoices available for services provided by your adviser, so that you may claim any input tax credits to which you are entitled for those services.

This agreement with you is largely set out in this Investor Brochure, but also in the Investor Registration Form and, for the cash and managed funds aspects, in a document called the Nominee Deed. Some other legislation and the common law are also relevant. The Service described in this Investor Brochure is only available to persons receiving this Investor Brochure within Australia who are acceptable to the Administrator. The Administrator may, in its discretion, refuse to accept applications from particular persons or entities or classes of persons or entities.

BT Portfolio Services Ltd

BTPS is responsible for and offers Wrap Essentials to you.

The Administrator is also the custodian and holds your cash and managed funds for you under the Nominee Deed. The Nominee Deed deals with such matters as holding and dealing with cash and managed funds, limits on the Administrator's liability, its ability to be indemnified for expenses, and termination of this aspect of the Service.

Assets held for you will be aggregated with assets held for others, although the Administrator will maintain details of all assets held for you in the Administrator's records.

Because it is important that the Administrator acts efficiently for you, the Administrator can do anything considered necessary or desirable to give effect to your instructions. The Administrator must act honestly and with reasonable care, skill and diligence.

In the course of operating Wrap Essentials, the Administrator may face conflicts in respect of its duties owed to investors in Wrap Essentials, investors in other investor directed portfolio services it operates and its own interests. If this occurs, the Administrator will resolve such conflicts fairly and reasonably between investors in accordance with the law.

Wrap Essentials depends on the integrity of its administration and computer systems. However, there is a risk that Wrap Essentials may not be available or may otherwise malfunction due to the failure of the Administrator's information technology or communication systems or those of third parties. The Administrator takes risk management and security seriously and it has procedures in place that are designed to reduce the risk of systems not working effectively.

Can the Service change?

The agreement with you can be changed by the Administrator. However, you are not able to change this agreement. You will be given at least 30 days notice of any changes (other than the termination of the Service) that the Administrator considers to be materially adverse to your interests.

The way Wrap Essentials is run can be changed. Aspects of the Service, or the Service generally, can be varied, terminated or suspended by the Administrator (generally or for particular clients). If this happens and it is important and material to your involvement, you will be notified.

There may be times when aspects of this Service are unavailable, for example when computer systems need updating or if you do not pay your fees and costs.

Are there times when your instructions will not be acted on?

Your instructions may not be acted on in exceptional circumstances, such as:

- if you provide more than one instruction and there are not sufficient cleared funds available to pay for them, the Administrator can choose which ones are acted on (in whole or part)
- if there are not sufficient cleared funds available to pay for your purchases, or sufficient assets to sell
- when acting is against the law or the agreement with you
- when any necessary documentation has not been received, is defective or not properly completed
- where the person acting on the instruction cannot act or believes that the instruction is not genuine or properly given (although the Administrator makes no inquiry as to this)
- if your adviser breaches their participation conditions or is considered unacceptable by the Administrator or any relevant Westpac Group company
- if the meaning of the instruction is uncertain or not in an acceptable form, or the person acting on it is not indemnified to their satisfaction
- if you are in default of this agreement or it is terminated, or
- in certain circumstances, if you have a margin loan (see your margin loan documentation for more information).

Can your investments be sold without asking you?

You authorise the Administrator to sell your investments without asking you (and you

→ Important information

cannot vary this) in the following circumstances:

- you do not keep enough cash in your Cash Account for fees, costs and other money you owe the Administrator in relation to your account
- you are in default of your obligations under this Investor Brochure or the Nominee Deed
- you enter any form of administration, or are insolvent (including if you are unable to pay your debts when due or do anything which suggests you cannot do so), or
- managed funds held in your account are removed from the available selection of managed funds.

If your investments are sold, they will be sold in line with your nominated drawdown strategy. If you have not elected a nominated drawdown strategy or if your strategy is no longer valid, managed funds will be sold first starting with the holding with the highest value.

On sale, proceeds less any fees, costs and money you owe the Administrator will be deposited to your Cash Account.

If you are in default of your obligations under this Investor Brochure or the Nominee Deed, your account, or any aspect of it, can be closed by the Administrator with five days notice, or without notice if:

- you breach your obligations, or are insolvent (including if you are unable to pay your debts when due or do anything which suggests you cannot do so), or
- any information given by or for you is incorrect or misleading.

If you have a margin loan, you authorise the margin lender to give the Administrator instructions on your behalf to sell your investments and acknowledge that where the margin lender does so the instructions on your behalf are given for the purpose of the margin lender receiving or securing the payment of money owing by you to the margin lender.

The Administrator can also close your account if Wrap Essentials is terminated or can no longer be provided to you for any other reason or your adviser ceases to be authorised to distribute Wrap Essentials.

If your account is closed, instructions underway will be processed, your investments will be sold; fees, costs and other money you owe the Administrator deducted and the balance paid to your nominated external bank account. You cannot vary this process.

If the Administrator needs to act in any of these circumstances, the Administrator can do anything that you or a receiver would be able to do. Whenever investments are sold, you will be responsible for any tax and stamp duty consequences.

What do you need to pay and indemnify the Administrator for?

You need to pay fees and properly incurred costs including any applicable tax and stamp duty. You agree to meet any bank fees and other similar costs incurred as a result of a withdrawal by way of electronic transfer, bank cheque, direct debit or other special payment method. You agree that the Administrator may set off any obligation it has to pay you money in connection with your Cash Account against your obligations to pay fees, costs and other money you owe to the Administrator.

You indemnify the Administrator, its officers and agents against any claims, liabilities, costs and expenses (including legal costs on a full indemnity basis) suffered or incurred by them as a result of:

- default by you or your agents
- entry by them into this agreement with you and their actions under or as a consequence of it (including acting on instructions and incurring fees and costs), or
- the acts of your agents and servants, for example your adviser and representative.

You also indemnify the Administrator and its officers and agents against any claims, liabilities, costs and expenses (including legal costs on a full indemnity basis) suffered or incurred as a result of the acts or omissions of the Distributor or its agents.

This means in part that if something goes wrong, and the Administrator, its officers or agents (indemnified persons) suffers a loss (even indirectly), you will make good those losses. However, these indemnities do not extend to any claims, liabilities, costs and expenses resulting from any negligence, breach of trust, fraud or willful default of the indemnified person.

These indemnities are continuing obligations, independent of your other obligations under your agreement. They continue after termination of your account. It is not necessary for any indemnified person to incur any costs before acting to enforce an indemnity in this Investor Brochure.

You instruct the Administrator to sell your investments to make good losses covered by these indemnities and to pay such fees

and costs and other amounts you owe it or the Distributor. You cannot vary this. Your liability to the Administrator is not limited to the assets in your account. If you still owe money you must pay as soon as asked, even if all of your investments are sold.

Are there limits on what the Administrator would pay you?

It is important to realise that (unless some law that cannot be excluded imposes more liability), the Administrator is not liable to you for more than the value of your account (including the credit balance of your Cash Account). No liability for economic, indirect or consequential loss is accepted by the Administrator.

The Administrator is not responsible for:

- anything not its fault or beyond its control
- instructions properly acted on, or reliance on a document or message which the Administrator had no reason to believe was not authentic (although the Administrator is not obliged to verify this) or delays caused by calling in good faith for further authentication of an instruction
- reliance in good faith on information or advice
- failure to do anything not able to be done under current or future law, or for payments of duties even though they need not have been paid
- subject to the Nominee Deed, loss caused by the exercise or attempted exercise of, failure to exercise, or delay in exercising a right or remedy, whether or not caused by its negligence
- any other thing unless arising from its own failure to act with reasonable care and diligence, dishonesty, breach of trust (if relevant), fraud or willful default
- monitoring the performance of, or reviewing your account
- any act or failure to act by you, your representative or adviser (except as law requires), any company or trust listed on the ASX or any fund manager, trustee or the form and content of any relevant disclosure document, or
- any delays in processing managed fund withdrawal requests due to exceptional circumstances, such as if a managed fund becomes illiquid or has withdrawal restrictions.

You are responsible for your investment decisions. No one involved in operating Wrap Essentials makes any expressed or implied recommendations concerning any asset available through Wrap Essentials.

It is not the Administrator's responsibility if you lose money investing. The Administrator is not responsible for the managed funds you choose to invest in or their investment performance.

If your password or PIN is misused, the Administrator only takes responsibility if you have notified the Administrator in writing and your password or PIN were not changed within a reasonable time.

Regulation

Wrap Essentials is an investor directed portfolio service so far as it relates to the cash and managed funds which are held by the Administrator for users of Wrap Essentials. It is not a stock exchange for managed funds. You are the ultimate beneficiary of any managed funds held by the Administrator on your behalf.

The cash and managed funds aspect is partially governed under a document called a Nominee Deed. By registering with Wrap Essentials, you agree to be bound by the Nominee Deed. You can obtain a copy of the Nominee Deed from the Administrator free of charge.

The cash and managed funds aspect of Wrap Essentials is regulated under the Corporations Act 2001 (Cwth) by the Australian Securities and Investments Commission ('ASIC') (which calls these 'Investor Directed Portfolio Services'). Some provisions of the Corporations Act 2001 (Cwth) that ASIC has modified or amended from time to time are also applicable. Wrap Essentials is not registered as a managed investment scheme under Chapter 5C of the Corporations Act 2001 (Cwth) but its operations comply with the relevant ASIC requirements.

The Administrator holds an Australian Financial Services Licence under the Corporations Act 2001 (Cwth). You can get a copy of the relevant ASIC class order relating to the cash and managed funds aspect of this Service through your adviser, or for general information on ASIC's policies visit www.asic.gov.au and look for information on 'Investor Directed Portfolio Services'.

Services that your adviser may provide in relation to Wrap Essentials may also be regulated under the Corporations Act 2001 (Cwth). Those services provided by your adviser do not form part of Wrap Essentials and the Administrator is not responsible for them. In providing such services your adviser will be required to comply with disclosure, licensing and other obligations

under the Corporations Act 2001 (Cwth) and will also be regulated by ASIC under the terms and conditions of applicable ASIC policy and relief.

Some other legal matters

By investing through the Service, you authorise your adviser to transact on your behalf. This facility is only provided to your adviser on the condition that they confirm to the Administrator that they have been provided with instructions by you requesting the transaction.

You and your adviser are responsible for entering and updating details for any other personal assets which are not cash or managed funds covered by the Service (such as the descriptions and valuations).

You cannot assign or try to assign or novate any of your rights or obligations under this agreement without the Administrator's prior written consent. Without this, any supposed assignment or novation is void.

You agree that the Administrator may assign its rights without prior notice and without your consent or novate its obligations under the arrangements with you. For example, someone else could be appointed to act as custodian.

Functions may be delegated or sub-contracted by the Administrator without prior notice to you and without your consent (but generally the Administrator remains liable for its agents if it does).

Clients are liable for all their obligations both separately and jointly with any one or more clients in relation to the relevant account.

This agreement or any part thereof may be waived or varied as relevant by the Administrator. The Administrator's rights, powers and remedies are cumulative and not exclusive of those provided by law. The Administrator is not liable for any loss caused by the exercise or attempted exercise of, failure to exercise, or delay in exercising these.

If the Administrator says something can be agreed with you, this does not mean it has to be.

If part of the agreement with you (or its application to any person or circumstance) is or becomes invalid or unenforceable, then the other provisions are not affected.

Neither the Distributor nor your adviser are representatives of the Administrator and they cannot bind the Administrator in any way.

Nothing in the agreement with you constitutes the Administrator as your partner, agent, or legal representative. It does not create any partnership, agency or trust, and you cannot bind the Administrator in any way.

This agreement is governed by the non-exclusive jurisdiction of the courts of NSW.

For information on privacy, refer to 'Protecting your privacy' on the inside back cover of this Investor Brochure.

Authority to operate

You may appoint another person as your representative to submit instructions regarding your Wrap Essentials account to the Administrator on your behalf. Your representative can do everything you can do with your Wrap Essentials account, except that the Administrator will not accept instructions from your representative to:

- request a cheque to be drawn from your account payable to a third party. This means that any withdrawal request will have to be paid in favour of yourself or into the external bank account nominated by you
- change your address information or bank account details held on file with the Administrator
- appoint other representatives in accordance with these conditions, or
- change any fees or costs payable by you.

Your representative must be over 18 if a natural person. If you nominate a company as your representative, you appoint each director, authorised officer and corporate representative of that company as your representative. If your representative is a partnership, you appoint each partner of the partnership as your representative. The Administrator may, in its discretion, refuse to accept the appointment of particular persons or entities or classes of persons or entities as your representative.

The exercise of any power by a person reasonably believed by the Administrator to be your representative (or a person to whom the powers of the representative extend) will be treated as if you had personally exercised those powers. The Administrator makes no enquiry as to whether you have given your representative a specific instruction prior to acting on the instructions of your representative.

This arrangement will continue until the Administrator receives written notice from you that you have revoked the authority given to your representative.

→ Important information

You (and any person claiming through you) release the Administrator from and indemnify the Administrator against all losses and liabilities arising in connection with, all actions, claims, proceedings, costs and demands arising directly or indirectly in connection with the Administrator acting on the instructions of your representative or otherwise for the acts or omissions of your representative.

If you appoint a representative, you cannot later claim that your representative was not acting on your behalf.

Financial crimes monitoring

To meet the Administrator's regulatory and compliance obligations for anti-money laundering and to counter financing of terrorism, the Administrator will be increasing the levels of control and monitoring it performs. You should be aware that:

- transactions may be delayed, blocked or refused where the Administrator has reasonable grounds to believe that they breach Australian law or the law of any other country
- the Administrator may from time to time require additional information from you to assist the Administrator in this process.

Where legally obliged to do so, the Administrator may disclose the information gathered to regulatory and/or law enforcement agencies.

You must not initiate, engage in or effect a transaction that may be in breach of Australian law (or the law of any other country).

Communications

You agree the Administrator may give you documents and other communications by any of the methods specified below including by sending them to any address for you, your adviser or your representative provided by you or that the Administrator reasonably believes is correct in which case those documents and other communications are taken to be given if:

- posted, when they would be delivered in the ordinary course of post (which the Administrator deems to be three business days after posting)
- sent by fax, at the time the sender receives confirmation of transmission
- sent by email (including an email containing a hypertext link to one or more documents) one business day after the email is sent
- given personally, when received, or

- there is no way of sending the documents or communications that may reasonably be expected to result in them being received by you, your adviser or your representative, when all reasonable steps are taken to send them to you or any of those persons.

If you have provided the Administrator with an email address for you, your adviser or representative, you agree to receive documents or notices by email including emails containing a hypertext link, in which case provision of the hypertext link constitutes provision of the documents that may be accessed through that link.

You may send the Administrator notices or contact them in any way indicated in this agreement.

Your communications are taken to be received when actually received.

How your Cash Account works

Your Cash Account is not an external bank account. Your cash will be deposited in one or more underlying bank accounts maintained by the Administrator at Westpac. These accounts are designated as trust accounts.

The Administrator has procedures for managing underlying balances that involve cash flows between the underlying accounts that may occur independently of your instructions. Your Cash Account balance is recorded at all times by the Administrator as the sum of your interest in each of the underlying bank accounts and will not be affected by cash flows between the underlying accounts.

Your Cash Account may be linked to an external bank account that you nominate. Deposits into and withdrawals from your Cash Account are transferred via your nominated external bank account. When money is received for you, it is credited to your Cash Account as soon as practicable.

You are responsible for ensuring adequate funds are available in your Cash Account to fund your investment transactions (including switches, Regular Investment Plan transactions and one-off withdrawals).

If you have sufficient cleared funds available, the necessary funds are used to settle your transaction.

If you do not have sufficient cleared funds available your transaction may not be placed. By placing an instruction for a transaction in these circumstances, you request a loan of up to the amount required

to settle your transaction from the Administrator. The Administrator is not obliged to but may, in its discretion, settle such transactions by advancing you funds for settlement in accordance with your request. Funds advanced by the Administrator must be repaid within 24 hours, or earlier on demand.

Direct Debit Request Service Agreement

By completing the relevant section of the Investor Registration Form, you are authorising the Administrator (User ID Number 086970) to draw on your nominated external bank account for deposits into Wrap Essentials on the terms set out in the Investor Registration Form and the Direct Debit Request Form.

Cheque and deposit book facility

If you choose to apply for the cheque book facility, you will need to meet identification requirements set down by legislation before a cheque book can be issued. Please complete section 10 of the Investor Registration Form, complete the additional requirements detailed in the FTRA Requirements Form and complete the AUSTRAC Acceptable Referee Form for each signatory.

If you elect to use the cheque and deposit book facility, you agree to be bound by the following terms and conditions on your authority to sign cheques:

- each cheque drawn amounts to a request to withdraw funds from your balance in your Cash Account
- you must not draw a cheque unless your balance in your Cash Account is more than the amount of the cheque. The issuing bank ("the Bank") may be instructed to dishonour any cheque that exceeds your balance in your Cash Account at the time the cheque is presented
- you must wait for funds deposited by cheque to be cleared before drawing on those funds
- you will take care of the cheque book and notify the Administrator promptly of any loss or theft of the cheque book or any cheque forms
- the Administrator can instruct the Bank to dishonour any cheques signed by you
- any request to stop payment of a cheque must be made to the Administrator in writing
- you will reimburse the Administrator or the Bank for any taxes, duties or fees relating to the establishment or operation

of the facility and the dishonouring of any cheques. Funds can be withdrawn from your balance in your Cash Account to meet these costs including the fees charged for the facility

- if you draw a cheque for less than \$400, transaction fees will be deducted from your balance in your Cash Account
- you release the Administrator and the Bank from and indemnify the Administrator against all losses and liabilities arising in connection with all actions, proceedings, accounts, claims and demands arising directly or indirectly in connection with the use of the facility, whether such loss or liability arises by unauthorised or fraudulent use or purported use of cheques or otherwise
- such indemnity and release in favour of the Bank are subject to the provisions of the Cheques Act
- the Administrator or the Bank may terminate your right to use the facility at any time by written notice and such termination shall take effect at the time the notice would have been received in the ordinary course of the post
- a cheque or an instrument purporting to be a cheque that entitles the Bank (pursuant to the Cheques Act) to debit the relevant bank account entitles the Administrator to debit your balance in your Cash Account for the same amount
- these terms and conditions or relevant fees and costs may be varied, after notice to you in writing
- you will provide the Administrator with all the information that it may require in order to supply the Bank with the necessary specimen signatures or other information required for the proper use of the facility
- if you close your Wrap Essentials account or your Wrap Essentials account is terminated, all unused cheques and deposit slips must be returned to the Administrator on behalf of the Bank
- you will only use the cheque and deposit forms provided to you or replacements made available to you, and
- you cannot close your balance in your Cash Account by cheque.

Disclosure documents

Before you make an investment through Wrap Essentials, the Administrator must be reasonably satisfied that you have been given a current disclosure document for each of the investments you make, unless there is no requirement for such a document to be provided.

The Administrator will notify your adviser of any changes to disclosure documents for underlying investments which you have selected through these facilities. It is a condition of your continued use of any part of this Service (including the Preferred Portfolio facility) that:

- upon notification of any change to disclosure documents by your adviser or the Administrator, you will contact your adviser and obtain a copy of the revised document as soon as practicable, and
- you issue the Administrator with revised investment instructions if the instructions cease to be appropriate.

When you have elected to use the Regular Investment Plan, you acknowledge that:

- you have an existing holding through Wrap Essentials of each managed fund to which your Regular Investment Plan relates
- the purchase of managed funds may occur without you having been given the current disclosure document or supplemental disclosure document for those managed funds (the 'missing documents')
- the Administrator agrees to give you the missing documents as soon as reasonably practical and in any event by the later of the fifth business day after the issue of the document or immediately before you next invest through your Regular Investment Plan. Your adviser may act as the Administrator's agent in providing the missing documents to you
- upon notification of any change to disclosure documents by your adviser or the Administrator, you will promptly contact your adviser to obtain a copy of that revised document
- the purchase of managed funds will continue to be made under the arrangement until instructions are given to the Administrator to the contrary or the arrangement is terminated
- the Administrator may cease to act on any instruction, including under the Preferred Portfolio facility or Regular Investment Plan if the Administrator is not reasonably satisfied that you have received the current disclosure document prior to investing.

Voice Response Service ('VRS') and internet service

By completing the Investor Registration Form, you will be given access to the telephone VRS and internet service ('the

facilities'). The following conditions apply to these facilities:

- A confidential PIN and password will give access to the facilities. You remain responsible for the confidentiality of your PIN and password.
- Access will be given to any person who uses your PIN or password or complies with any other security procedures that may be instituted by the Administrator from time to time. Any action by that person will be taken to be by you.
- The Administrator may suspend access to or cancel the facilities at any time generally or for an investor, without notice.
- The Administrator may vary these conditions at any time after giving you notice in writing (or notice by email or any other electronic communication).
- You must tell the Administrator immediately if you lose your PIN or password, or think someone has knowledge of either.
- You acknowledge that any PIN or password issued or reissued to you may be delivered electronically or by post.
- You agree that you will be charged a fee for accessing the telephone VRS that will appear on your telephone bill.
- You agree that the facilities will be used to provide confirmation of transactions within Wrap Essentials to you.

You release the Administrator from and indemnify the Administrator against all losses and liabilities arising in connection with all actions, claims, proceedings, costs and demands arising directly or indirectly out of your use of the facilities.

Gearing your Wrap Essentials account

The Distributor has negotiated gearing facilities with BT Margin Lending for use with your Wrap Essentials account. If you utilise the gearing facility, your Wrap Essentials account will be geared ('Geared Wrap Essentials account'). If you use BT Margin Lending with Wrap Essentials, it will alter some of the things you have agreed to in this Investor Brochure. It is not obligatory that you take out a margin loan with BT Margin Lending.

What is a BT Margin Loan?

Gearing your account enables you to borrow money, from BT Margin Lending, to purchase a selected range of the investments offered through Wrap Essentials. BT Securities Limited ABN 84 000 720 114 makes this borrowing available to you — the BT Margin Loan.

→ Important information

Where do I find more information?

The BT Margin Loan, including benefits, fees and risks is explained in the following documents:

- BT Margin Lending Brochure (Margin Lending Made Easy)
- Geared Wrap Essentials account sections of the Investor Registration Form
- BT Margin Loan Application Booklet, which contains the BT Margin Lending Facility Agreement.

The BT Margin Lending Brochure and BT Margin Loan Application Booklet ('BT Margin Lending documents') are issued by BT Securities Limited.

How do I start a BT Margin Loan?

You must obtain and carefully read the BT Margin Lending documents (available from your adviser) before completing the Geared Wrap Essentials account sections of the Investor Registration Form in this Investor Brochure.

If you are an existing Wrap Essentials investor and want to convert your existing portfolio to a margin loan, you should complete and sign the Investor Registration Form including the Geared Wrap Essentials account sections.

What will be different if I take out a BT Margin Loan?

You will have additional obligations to BT Securities Limited and must accept further risks. These are explained in the BT Margin Lending documents.

The services you receive under Wrap Essentials for your investments will generally be the same. However, you will receive additional reporting and other services from BT Securities Limited in relation to your margin loan — again explained in the BT Margin Lending documents. Note that there is a list of eligible managed funds that can be purchased using the money borrowed from BT Margin Lending.

What other terms apply if I take out a BT Margin Loan?

You also agree with, or acknowledge to the Administrator and BT Securities Limited, the following:

Selected investments

Loans made available through the BT Margin Loan may only be used to purchase investments accessible through Wrap Essentials and approved by BT Margin Lending. A list of these investments will be provided on request without charge.

Not all investments accessible through Wrap Essentials will be available.

You understand that by applying for a BT Margin Loan you:

- acknowledge that you have read and fully understand the BT Margin Lending documents
- agree that the time it takes to process a transaction will generally be the same as disclosed in this Investor Brochure but it may take longer depending on the processing requirements of BT Margin Lending
- agree that your rights in relation to Wrap Essentials are subject to the rights of BT Securities Limited under the BT Margin Lending documents where relevant
- agree that investments accessible through Wrap Essentials purchased with the BT Margin Loan will become subject to the mortgage in favour of BT Securities Limited under the BT Margin Lending documents
- agree that any purchases for a Wrap Essentials account will be funded by BT Securities Limited only if it approves the investment and allows you to draw on your BT Margin Loan, and
- agree that any proceeds from the sale of assets within a Geared Wrap Essentials account will be transferred to either BT Margin Lending to reduce the loan balance or to the Cash Account, or to a combination you elect. However, where you do not elect how proceeds will be distributed, they will be transferred to your BT Margin Loan to reduce the loan balance.

Under the BT Margin Lending documents, you give BT Securities Limited an irrevocable power of attorney. Because of this, the Administrator can act in good faith on instructions from BT Securities Limited in relation to the investments held for margin lending purposes in your account, even if they conflict with yours.

These instructions include:

- applications, withdrawals and transfers of investments
- payments to and from your Cash Account, including to BT Securities Limited for their fees and expenses or repayment of the margin loan, and
- sale of investments in a margin call.

The Administrator can continue to act until BT Securities Limited tells it that it cannot, even if you purport to revoke the power of attorney.

Funding of transactions

Transactions may be funded from your BT Margin Loan to the extent that you have available funds, or from your Cash Account. However, where you do not elect how trades are to be funded, they will be funded from your Cash Account, with the balance drawn from your BT Margin Loan to the extent that you have available funds.

Direct Debit Request Service Agreement

By completing the relevant section of the Investor Registration Form, you are authorising BT Margin Lending (User ID Number 037898) to draw on your nominated external bank account for your BT Margin Loan on the terms set out in the Investor Registration Form and the Geared Wrap Essentials account Direct Debit Request Form.

Account authority

Your Cash Account or the account specified in the Geared Wrap Essentials account Direct Debit Request Form (if any) will be debited or credited according to your instructions whether they be written or provided by your adviser online.

Information

The Administrator and BT Securities Limited may pass to each other information relating to you, provided that they consider doing so necessary or desirable in relation to the BT Margin Loan or Wrap Essentials.

Your right to give the Administrator instructions and close your account is restricted

The Administrator will not act on instructions from you in relation to any of the investments purchased using the BT Margin Loan (including to redeem or withdraw) unless BT Securities Limited has agreed. You cannot close your Wrap Essentials account unless BT Securities Limited has agreed.

The Administrator's liability is limited

The Administrator is not responsible for BT Securities Limited or the services provided by it. Its liability is not increased just because you have a BT Margin Loan.

How long these terms are relevant

The terms are also provided for the benefit of and may be relied on by BT Securities Limited.

These terms additionally apply to the BT Margin Loan until BT Securities Limited tells the Administrator they do not.

Representatives

You appoint the person/entity nominated in section 12 of the Investor Registration Form and the Administrator as your 'representative' for the purposes of the BT Margin Loan. The rights of the representative are set out in the BT Margin Lending Facility Agreement and are summarised in the 'BT Margin Loan – Representatives' section contained in the Geared Wrap Essentials account sections of the Investor Registration Form.

Fees

This Investor Brochure provides some examples of fees and costs. Remember that in taking a BT Margin Loan, BT Securities Limited will be charging you a rate of interest on your margin loan and this may be paid from your balance in your Cash Account. Refer to the BT Margin Lending documents for other fees that may be applicable in relation to your BT Margin Loan.

The rate of interest may change and BT Margin Lending can provide you with the current rate. In these examples, you should allow an additional amount for the applicable interest rate charged. Your adviser can assist you with this calculation.

What will happen with your Cash Account?

There are also some aspects of the Service relating to your Cash Account that apply when purchasing investments with your BT Margin Loan (the Geared Cash Account). These are described below:

- The Geared Cash Account for Wrap Essentials will not have the full facilities associated with an ungeared Cash Account. Cheque book access will not be available with the Geared Cash Account
- All cash movements out of the Geared Cash Account must be first approved by BT Securities Limited, which may, under the terms of the BT Margin Lending documents, require cash withdrawals to be applied to reduce the balance of the BT Margin Loan.

How do I make an initial deposit into the Cash Account?

Wrap Essentials requires an initial deposit of \$5,000 or \$2,000 with a Regular Deposit Plan of \$100 per month into your Cash Account. The entirety of your investment can then be invested into your choice of

managed funds, at a minimum of \$1,000 per managed fund. In section 7 of the Investor Registration Form, please select how you would like to fund this deposit. If you select that a portion of your margin loan be used to fund this initial balance, this will reduce the amount of loan funds available to purchase other investments and interest on the minimum loan balance will apply from the date the deposit is made into your Cash Account.

→ Declarations, conditions and acknowledgements

By signing the Investor Registration Form for Wrap Essentials you:

- agree to be bound by all the provisions in this Investor Brochure, the forms and the Nominee Deed
- acknowledge that you must be present in Australia to transact through this Service or must appoint an Australian resident attorney
- declare that you are over 18 years of age
- agree that if the Administrator makes an incorrect payment to you, it is entitled to deduct the amount incorrectly paid from your account
- agree to your adviser being authorised to transact as well as receive information and reports (which may be required by law to be given to you) on your behalf. This authority will continue until the Administrator receives notice in writing to the contrary. Information and reports may be delivered to you electronically or by mail. You agree to your adviser lodging transaction instructions electronically and confirm for each transaction that they have been provided with written instructions by you authorising the action. The Administrator will act on your or your adviser's instructions without determining their authenticity
- instruct the Administrator to deal from time to time with your interest in the underlying accounts which make up your Cash Account by adjusting the extent of your interest in those accounts in its records, in accordance with its processes, provided that the aggregate balance of your Cash Account is not changed through the Administrator acting on this instruction. You agree not to cancel or vary this instruction
- acknowledge that the provision of this Investor Brochure, the Available Managed Funds List and investments through Wrap Essentials should not be taken as the giving of investment advice by the Administrator in relation to investments acquired through Wrap Essentials as it is not aware of your investment objectives, financial position and particular needs
- acknowledge that if you are a trustee or investing on behalf of another, the individuals or corporate entity who is recorded in Wrap Essentials as the investor will be the only persons/entity recognised by the Administrator and your adviser as authorised to give instructions. No beneficial interests will be recognised

- agree that any action or request taken or given to the Administrator cannot be countermanded
- agree that you may not vary the instructions provided for the nominated drawdown strategy, the standing Portfolio facility and in circumstances where you have authorised the Administrator to sell investments without asking you
- acknowledge that the account signatories for your nominated external bank account must authorise any changes in direct debit arrangements
- acknowledge that if a transaction request is invalid it will not be processed until valid documentation is received
- agree to pay the fees outlined in this Investor Brochure and in the Investor Registration Form
- consent to telephone conversations being recorded and listened to for training purposes or to provide security for transactions
- acknowledge that aspects of the Service, or the Service generally, may be varied, terminated or suspended by the Administrator without your consent. However, you will be notified of any changes that are materially adverse to you, and
- consent to the Administrator continuing to act as operator of Wrap Essentials notwithstanding any conflict of interest that may arise.

Persons signing for:

- joint investors agree to hold investments as joint tenants and acknowledge that unless otherwise stated, both signatures are required for written withdrawal requests and additional applications. You acknowledge that all liability shall be both joint and several
- joint trustees acknowledge that if you elect for either trustee to sign authorities for future transactions that the relevant trust deed authorises you to do this
- partnerships acknowledge that you are a partner in the partnership and are investing on behalf of the partnership. You acknowledge that you have authority to bind the partnership and agree that all liability will be joint and several
- incorporated associations acknowledge that you are the officers of the incorporated association and have the authority to bind the incorporated association. You acknowledge that the Certificate of Incorporation attached to

the Investor Registration Form is a true and correct copy, and

- unincorporated associations acknowledge that you have the authority to bind the unincorporated association and can invest for and on behalf of the unincorporated association.

Trustee declarations and undertakings

If you are a trustee of a trust and are entering into your agreement with the Administrator in that capacity, then in signing the Investor Registration Form, you additionally declare and agree that:

- you are the properly appointed trustee of the trust
- holding units in managed funds is an authorised investment of the trust
- you have the power to enter into your agreement with the Administrator and perform your obligations under it as trustee of the trust
- you enter your agreement with the Administrator both in your personal capacity and as trustee
- the Administrator's rights under this agreement with you have priority over the interests of the beneficiaries, and
- you are entitled to be indemnified out of the assets of the trust for all obligations you incur in connection with this agreement.

Wrap Essentials Checklist

Completing the Wrap Essentials Investor Registration Form

Please keep this page for your records.

INVESTOR REGISTRATION FORM CHECKLIST

There are two parts to this form:

To use the Regular Withdrawal Plan	Complete sections 6 and 9.
To apply for a cheque or deposit book	Complete section 10. Remember that if the signatories for the cheque book facility differ from those signing in section 14, then they will need to sign section 10. If you apply for a cheque book please complete the AUSTRAC Acceptable Referee Form and the FTRA Requirements Form.
To invest your initial investment outside your Cash Account	Complete the Managed Fund Transaction Form. These transactions can be placed online by your adviser or returned with your form(s).
To nominate a strategy to top up your Cash Account	Complete section 11.
To appoint a representative to operate your account	Complete and sign section 12 (the representative must also sign).

FOR THE ADVISER

- Is the adviser name and number provided in section 1?
- Has only one option (Flat fee or Sliding scale) been chosen in section 13 for the Ongoing advice fee?

Before you send your investment paperwork, check that you have completed the following checklist. It identifies information that must be completed when an investor registers for a Geared Wrap Essentials account. Ensuring that all information is provided will assist in a smooth registration process.

PART B. GEARED WRAP ESSENTIALS ACCOUNT

Do not complete section 10B as it is not applicable for Geared Wrap Essentials accounts

IMPORTANT INFORMATION RELATING TO GEARED WRAP ESSENTIALS ACCOUNTS

3. Investor details	A Geared Wrap Essentials account cannot be set up in the name of a Super-annuation Fund.
6. Bank account and Direct debit request details	If you complete bank account details in this section, your bank account will be linked to your BT Margin Loan and the Cash Account.

MANDATORY

- Have you read the BT Margin Loan Facility Agreement in the BT Margin Loan Application Booklet? Keep this document for your reference. BT will execute the Facility Agreement on your behalf once the loan is approved and send a copy of the signed Agreement to you.
- Have you read the Risk Disclosure Statement and Privacy disclosure and consent in the BT Margin Loan Application Booklet?
- Have you indicated the type of geared account you wish to establish in section 2?
- Have you provided the investor details in section 3 and contact details in section 4? Remember that a residential address must be provided (this can be provided in section 15 if you use a PO Box address in section 4).
- In the case of a trust application, the solicitor's trust opinion is required to ensure that the trust may legally apply for a margin loan. The sample letter, which is available from your adviser, should be re-typed on the solicitor's letterhead and then signed and dated by the solicitor. A certified copy of the trust deed and any amendments must also be included.
- In the case of a company application, have you attached a cheque for \$200 for the company application fee? (The cheque should be made payable to: BT Margin Lending).
- Have you indicated your residential status in section 5? Remember, if you are not living in Australia, you must attach a certified copy of an Australian power of attorney, including certain specific conditions and limitations. These are available upon request from your adviser.
- Have you read through the power of attorney in section 19 and signed in the appropriate area?
- Have you advised the Administrator of your investment amount for the Geared Wrap Essentials account in section 7 and specified how the funds will be paid? (The cheque should be made payable to: BT Portfolio Services Ltd Cash Account – <investor name>).

OPTIONAL

To make an initial or regular payments to the loan via direct debit	Complete the Geared Wrap Essentials account Direct Debit Request Form. Your adviser will be able to access these forms online.
To set up a regular gearing investment into managed funds	Complete sections 6 and 8 (for amounts funded from your bank account), as well as the Managed Fund Transaction Form.
To appoint a representative to operate your Geared Wrap Essentials account and BT Margin Loan on your behalf	Complete and sign section 12 of the Investor Registration Form (the representative must also sign).
To nominate how to pay a shortfall in your Cash Account	Complete section 11 (sell-down of managed funds) or section 18 (drawdown from loan account). The default option for Geared Wrap Essentials accounts is drawdown from loan.
To add a Wrap Essentials account as a third party to a BT Margin Loan	Complete the Geared Wrap Essentials Third Party pack. Your adviser will be able to access these forms online. Do not complete the Geared Wrap Essentials account sections of this form as these are for the purpose of establishing a BT Margin Loan.

FOR THE ADVISER

- Is the adviser name and number given in section 1?
- Has only one option (Flat fee or Sliding scale) been chosen in section 13 for the Ongoing advice fee?
- Has an election been made in section 17? The box must be ticked and the signature added for the rebate to be effective.

A Contribution fee on each 'additional' deposit may be deducted from your balance in your Cash Account.

Ongoing advice fee. You can agree with your adviser to be charged an Ongoing advice fee. This can be a maximum of 2% of your account value, based on the average of your opening and closing balance for the month.

The Ongoing advice fee can be either a Flat fee (dollar or percentage) **or** a Sliding scale. Where no fee has been selected, the default of Flat fee will apply.

Flat fee. Please enter either a dollar amount for the total account including cash or a % amount to be charged on each investment per annum. If the boxes are left blank the fee will be assumed to be zero for those investments.

Sliding scale. If you wish to include cash in the total account balance, please ensure this box is crossed, otherwise the fee will be charged on the managed fund balance only.

Fee amounts will be charged to your Cash Account monthly and paid in arrears to your adviser.

Direct Debit Request Service Agreement

This agreement sets out the terms in which you have authorised BT Portfolio Services Ltd ABN 73 095 055 208 and BT Securities Limited ABN 84 000 720 114 (together the Administrator), to arrange for amounts that become payable in relation to your investment in Wrap Essentials, or to your BT Margin Loan to be made by deduction from your account at your financial institution.

Drawing arrangements

- For initial applications made by completing a Direct Debit Request, the Administrator will debit the amount(s) nominated from your account within two (2) days of receiving a valid application.
- For subsequent investments when the Administrator receives a valid instruction either by phone, letter or over the internet, the Administrator will debit your account within two (2) days of receiving the instructions (provided the Administrator has previously received a valid Direct Debit Request).
- A valid instruction will be an instruction given by you or from a person nominated by you to provide such instructions.
- For deposits made under the Regular Deposit Plan, the Administrator will debit your account on or around the 20th of each month. Further details of the drawing arrangements are contained in the Direct Debit Request.
- Where the due date falls on a non-business day, the Administrator will draw the amount on the next business day. If you are uncertain as to when the debit will be processed to your nominated account you should enquire directly with your financial institution where the nominated account is based.

Our commitment to you

- The Administrator will only change the amount of the payments under the Direct Debit Request on receipt of a valid instruction.
- The Administrator will only vary the terms of this Direct Debit Request Service Agreement after giving you 30 days notice in writing.
- The Administrator reserves the right to cancel your drawing arrangements if three or more drawings are returned unpaid by your nominated financial institution. Standard government fees, duties and bank charges (including dishonour fees and conversion costs) may apply to investments or to your BT Margin Loan. These are paid by the investor. If your direct debit is returned unpaid, the Administrator may charge you a dishonour fee of \$35. You should advise the Administrator of an alternative payment method.
- The Administrator will keep all your records and information pertaining to your nominated account at the financial institution private and confidential, except where you have made a claim relating to a debit you claim has been made incorrectly, or wrongfully, in which case Westpac Banking Corporation ABN 33 007 457 141 (as the Administrator's sponsor in the Bulk Electronic Clearing System) may require the Administrator to provide this information to them in connection with your claim to the extent necessary to resolve your claim.
- The Administrator will debit your nominated account only for the amounts specified by you in the Direct Debit Request.

Your rights

- You may cancel, vary, defer or suspend the Direct Debit Request or stop or suspend an individual debit from taking place. Contact the Administrator directly on 1300 657 010, Monday to Friday from 8.00am to 6.30pm (Sydney time) or your adviser for instructions.
- You may change, cancel or suspend the Regular Deposit Plan via your adviser. Instructions must be received by the 15th of a month to be effective for that month via your adviser.
- If you have any questions or concerns about your Direct Debit Request, such as where you consider that a drawing has been initiated incorrectly, you should take the matter up directly with the Administrator by phoning 1300 657 010, Monday to Friday from 8.00am to 6.30pm (Sydney time) or via your adviser. The Administrator will try and resolve your concern over the phone when you call. If your concern is not resolved, you may write to our Complaints Officer, BT Portfolio Services Ltd, GPO Box 2675, Sydney NSW 2001. The Administrator will let you know that the Administrator has received your complaint, and the Complaints Officer will try to resolve the situation within 30 days. If you are still not satisfied, you can contact the Financial Industry Complaints Service, an externally managed complaints resolution scheme, of which the Administrator is a member, on (03) 9629 7050 or ASIC.

Your responsibilities

It is your responsibility to:

- check with your financial institution that it allows direct debiting on your nominated account
- ensure that sufficient cleared funds are available in your nominated account by the due date to permit payments under the Direct Debit Request
- ensure that the authorisation given to draw on your nominated account is identical to the account signing instruction held by your financial institution where the nominated account is based
- advise the Administrator if your nominated account is transferred or closed or your nominated account details change
- arrange with the Administrator a suitable alternate payment method if the drawing arrangements are cancelled either by you or your financial institution
- ensure that your account details are correct, and if uncertain, to check with your financial institution before completing the Direct Debit Request.

By signing below you:

- confirm that you have read and understood the Risk Disclosure Statement and the CHESSE explanation in the BT Margin Loan Application Booklet
- confirm that you have read and understood the terms of the BT Margin Loan Facility Agreement described in Item 1 above, and set out in the BT Margin Loan Application Booklet
- confirm that you have read and understood the Investor Brochure to which this registration relates
- confirm that you have read and understood the information detailed on the inside front cover of the Investor Brochure
- agree, consent and acknowledge the terms, declarations, conditions and acknowledgements contained in the Investor Brochure and in these forms
- declare that all the details given in this Investor Registration Form are true and correct
- consent to the use of my/our personal information as outlined in the Investor Brochure and Investor Registration Form
- confirm that you have received a copy of the Administrator's Financial Services Guide
- grant the power of attorney in Geared Wrap Essentials account sections of the Investor Registration Form.

Note: Instructions to establish a Regular Investment Plan ('the Plan') that are mailed to the Administrator must be received by the 15th of the relevant month to allow them to be processed for that month. For Geared Wrap Essentials accounts the minimum loan at any time under a regular gearing facility is \$5,000. If the loan balance is less than \$5,000 on any day, for the purpose of calculating interest, the loan balance will be taken to be \$5,000. A \$150 charge applies if the loan is terminated within 12 months.

1. If you do not nominate a frequency the default will be monthly. Quarterly means in March, June, September and December. Half-yearly means in June and December. Annually means in June.
2. The commencement month must be consistent with your frequency selected. If you do not elect a month for the Plan to start, the Plan will start in the next appropriate month relevant to the frequency selected.
3. If you do not nominate your distribution option, your distributions will be reinvested.
4. This is the amount that will be drawn down on your BT Margin Loan each period into your managed fund holding. The minimum monthly amount is \$500.

Notes of guidance for completing this form

An Identification Reference must be signed in the presence of an Acceptable Referee.

An Identification Reference is to be provided for each signatory to an account and comprises a written and signed reference by a person within a specified class of Acceptable Referees, declared by the Minister by Notice in the Gazette on 6 November 2002 in GN 44 (see list below).

The reference must set out the name used by the signatory in relation to the account and must state that:

- The referee has known the signatory for the period specified in the reference (being a period of at least 12 months);
- During the whole of that period, or for so much of that period as is specified in the reference, the signatory has been commonly known by that name; and
- The referee has examined:
 - a specified primary identification document for the signatory in that name; or
 - a specified secondary identification document for the signatory in that name and a specified primary identification document for the signatory in a former name of the person; or
 - only a specified secondary identification document for the signatory in that name.

Primary Identification Documents are:

- birth certificate;
- citizenship certificate;
- international travel document:
 - current passport;
 - expired passport which has not been cancelled and was current within the preceding 2 years;
 - other document of identity having the same characteristics as a passport (eg this may include some diplomatic documents and some documents issued to refugees).

Secondary Identification Documents are documents (other than a primary identification document) which establish the identity of the signatory eg Australian driver's licence.

Please Note: Primary and Secondary Identification Documents must have at least one given name plus surname in full (not initials).

Warning: It is an offence under section 21 of the *Financial Transaction Reports Act 1988* to make a false or misleading statement.
